CDA ANNUAL REPORT for FY 2006

March 30, 2007

As required by the Bylaws of the Town of Riverhead Community Development Agency (CDA), the following information is provided for consideration and review by the Members of the CDA.

Membership- The Members of the Corporation shall be the members of the Riverhead Town Board, comprised of the following persons during FY 2006: Phil Cardinale, Barbara Blass, George Bartunek, Edward Densieski and John Dunleavy. In addition, the CDA is served by: Executive Director Andrea Lohneiss, Chief Finance Officer Bill Rothaar and Contracting Officer Dawn Thomas. Neither members nor staff receive any compensation for their duties and responsibilities to the CDA.

Background

The five member Riverhead Town Board is the governing legislative body and consists of a supervisor and four council members, all of whom are elected at large. The Town Board acts separately in its capacity as the CDA Board, which is empowered under New York State General Municipal Law to foster economic development. The CDA, established in 1982, has been proactive in fostering economic revitalization in the downtown business district and was a major impetus in the establishment of a 3.2 acre waterfront aquarium. In addition, the CDA took title to the former Naval Weapons Industrial Reserve Plant at Calverton in 1998 as the result of special federal legislation, and as such is charged with the task of overseeing economic development at the 2,900 acre site. Using powers granted under New York State Urban Renewal Law, pursuant to Section 505 of Article 15, the Community Development Agency has played a critical role in economic development at Calverton Enterprise Park, as well as downtown. Since 1998, this real property, improved with buildings and infrastructure, has been leased and sold pursuant to the disposition of property procedures of Section 507 of the Urban Renewal Law.

In its capacity as the economic development agency of the Town of Riverhead, the CDA also procures grant funds and administers numerous downtown revitalization projects and public improvement projects. The Community Development Agency has designated several additional Urban Renewal Areas for the purpose of encouraging neighborhood revitalization and economic development. The other

designated Urban Renewal Areas include: Millbrook Gables residential community, East Main Street Downtown Business District and Railroad Avenue. Within the designated boundaries of the urban renewal areas, available incentives are provided where feasible to attract investment and assist owners and businesses in improving their properties. Portions of the Calverton Enterprise Park and East Main Street Urban renewal Areas are designated Empire Zones. This designation was initiated and administered by the CDA for its economic development benefits. Low interest loans and grants have also been made available to increase investment in these targeted areas. For instance, within the East Main Street Urban Renewal Area, the CDA has successfully developed an aquarium as a major tourist attraction, recently sold the 1930s art deco Suffolk Theatre for reuse, has completed restoration of an 1881 historic opera house and invested \$500,000 in historic restoration of properties occupied by the East End Arts Council, as well as making possible new retail development on Peconic Avenue in a currently deteriorated structure.

Downtown Activity in 2006

In June 2005, the Town of Riverhead sought expressions of interest and qualifications (RFIQ) from experienced developers for a high-quality mixed-use development along the waterfront in downtown Riverhead, east of Peconic Avenue. Four responses were received a full Request for Proposals (RFP) was sent to the three short-listed proposers in October 2005.

The overall goal of this RFIQ and RFP process was to encourage the development community to assess the potential for revitalization of this currently underutilized area by providing retail/commercial, residential, and/or recreational/entertainment opportunities. Specifically, the RFP targeted the area comprising the Town of Riverhead East Main Street Urban Renewal Area (1993) with primary focus on the area south of Main Street, Riverhead, bordered on the east by Atlantis Marine World and on the west by Peconic Avenue. Emphasis was placed on the creation of public space, maximizing green space while maintaining vehicular access behind the storefronts and improving the appeal of the retailer by developing secondary front façades. The redevelopment area is characterized by numerous vacant buildings, public parking areas and underutilized properties.

Proposals were received from three developers in early 2006 and, following public presentations, the CDA Board selected Apollo Real Estate Advisors as the preferred project developer. In March 2006, the CDA authorized the Chairman to negotiate a contract with Apollo Real Estate Advisors and a Master Developer

Agreement was signed in August 2006. Apollo Real Estate Advisors created Riverhead Renaissance, LLC, for the Riverhead project and the CDA Board conducted a public hearing to consider the designation of Riverhead Renaissance, LLC, as a Qualified and Eligible Sponsor for the redevelopment project on October 3, 2006. Riverhead Renaissance, LLC, was designated as a qualified and eligible sponsor for downtown redevelopment on October 17, 2006.

The CDA Board also authorized town staff to undertake and update the 1993 East Main Street Urban Renewal Plan and to prepare a generic Environmental Impact Statement in conjunction the comprehensive planning process in September 2006. The Final Scope of Issues on the Generic Environmental Impact Statement in support of the Urban Renewal Plan update was accepted in November 2006. The Urban Renewal Plan and final GEIS will be completed in 2007.

Calverton Enterprise Park Activity in 2006

In October 2006, the CDA Board issued a Request for Proposals to select an experienced developer(s) for the redevelopment of approximately 600 acres of land zoned for industrial and office uses at Calverton Enterprise Park.

Several proposals were received and had been presented at public meetings by year-end.

Agreements with regard to Calverton Enterprise Park entered into by the CDA in 2006 include:

- 1) a license agreement with the Eastern Long Island Audubon Society, Inc. allowing use of the Calverton Enterprise Park site for a five-year period for the purpose of monitoring, counting and documenting birds;
- 2) an agreement with New York State Department of Economic Development for the administration of the Empire Zone Program; and
- 3) a runway use agreement with South Bay Apparel for periodic use of the CDA-owned runway.

Grant Funding

In October 2006, the CDA applied for and received a \$100,000 grant from the New York State Office of Parks, Recreation and Historic Preservation for funding under the Recreational Trails Program towards the development of an 8.9 mile multi-sport athletic trail. No funds were received or expended by year-end. This project

will augment a town park permit initiated by the CDA in 2001 involving \$600,000 in grant funds from the New York State Office of Parks Recreation and Historic Preservation for public recreational improvements. Phase I was designed and engineered in 2006 for construction in 2007.

The Town of Riverhead Community Development Agency
Notes to the Financial Statements
For the Fiscal Year Ended December 31, 2006

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Town of Riverhead Community Development Agency have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

A. FINANCIAL REPORTING ENTITY

The Town of Riverhead Community Development Agency was created by Chapter 480 of the Laws of 1982, a special act of the New York State Legislature. The Community Development Agency is an independent governmental agency and instrumentality of the State of New York and is a Corporate Governmental Agency constituting a public benefit corporation of the State of New York. The Community Development Agency can enter into contracts, sue and be sued, and acquire and own real and personal property, each on its own behalf and in its own name. The Community Development Agency can incur debt and issue bonds and notes in its own name and, unless the Town of Riverhead elects to guarantee principle of and interest on, or only interest on, indebtedness issued by the Community Development Agency, all indebtedness of the Community Development agency is a liability only of the Community Development Agency and not of the Town of Riverhead.

Inclusion of the Community Development Agency as a component unit of the Town of Riverhead reported as a special revenue fund type is required by GASB Statement No. 14 solely because the members of the Community Development Agency are the same as the members of the Town Board of the Town of Riverhead. When acting as a member of the Community Development Agency, however, a member has a fiduciary responsibility to the Community Development Agency and not to the Town of Riverhead. Inclusion of the Community development agency as a component unit of the Town of Riverhead reported as a special revenue fund type is not intended to state or imply, and should not give rise to any impression or inference, either that the Town of Riverhead is legally responsible for the indebtedness and other liabilities of the Community Development Agency or that the Town of Riverhead has any legal claim to the assets of the Community Development Agency.

B. BASIS OF PRESENTATION

The accounts of the Community Development Agency are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for within a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, revenues and expenditures/expenses which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. The various funds are summarized by type in the financial statements. The following fund types are used:

1. FUND CATEGORIES

a. **GOVERNMENTAL FUNDS** - Governmental funds are those through which most governmental functions are financed. The acquisition, use and balances of expendable financial resources and the related liabilities are accounted for through governmental funds. The measurement focus of the governmental funds is based upon determination of financial position and changes in financial position. The following are the Community Development Agency's governmental fund types.

Special Reserve Fund - The principal operating fund includes all operations not required to be recorded in other funds. This fund is used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

C. BASIS OF ACCOUNTING/MEASUREMENT FOCUS

Basis of accounting refers to revenues and expenditures/expenses and the related assets and liabilities are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus. Measurement focus is the determination of what is measured, i.e. expenditures or expense.

Modified Accrual Basis - All Governmental Funds are accounted for using the modified accrual basis of accounting.

Under this basis of accounting, revenues are recorded when measurable and available. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Revenues are considered to be available if collected within sixty days after the close of the fiscal year.

Material revenues that are accrued include state and federal aid and certain user charges.

Expenditures are recorded when the fund liability is incurred except that:

- a) Expenditures for prepaid expenses and inventory-type items are recognized at the time of the disbursements.
- b) Principal and Interest and indebtedness are not recognized as an expenditure until due.

D. PROPERTY TAXES

There are no real property taxes levied by the Community Development Agency.

E. BUDGETARY DATA

1. BUDGET POLICIES - The budget policies are as follows:

- a) No later than Sept. 30, the budget officer submits a tentative budget to the Member of the Community Development Agency for the fiscal year commencing the following January 1st. The tentative budget includes proposed expenditures and the proposed means of financing for all funds.
- b) The Members of the Community Development Agency formulates the Preliminary Budget which becomes the subject of public hearings.
- c) After a public hearing is conducted to obtain taxpayer comments, no later than November 20th, the Members of the Community Development Agency adopts the budget.
- d) All modifications of the budget must be approved by the Members of the Community Development Agency.

2. ENCUMBRANCES

Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of monies are recorded for budgetary control purposes to reserve that portion of the applicable appropriations, is employed in the governmental funds. Encumbrances are reported as reservations of fund balances since they do not constitute expenditures or liabilities. Expenditures for such commitments are recorded in the period in which the liability is incurred.

3. BUDGET BASIS OF ACCOUNTING

Budgets are adopted annually on a basis consistent with Generally Accepted Accounting Principles. Appropriations authorized for the current year are increased by the amount of encumbrances carried forward from the prior period.

F. CHANGES IN ACCOUNTING POLICIES

During the 2006 fiscal year, the Community Development Agency did not adopt any changes in accounting policies.

G. PROPERTY, PLANT AND EQUIPMENT - GENERAL

Fixed assets purchased for general governmental purposes are recorded as expenditures in the governmental funds and are capitalized at costs in the General Fixed Assets Account Groups.

Fixed assets consisting of certain infrastructure type improvements, other than buildings,

including roads, bridges, curbs and gutters, street & sidewalks, drainage and lighting systems, have not been capitalized. Such assets normally are immovable and of value only to the Agency. Therefore, the purposes of stewardship for capital expenditures can be satisfied without recording these assets.

No depreciation has been provided on general fixed assets.

H. INSURANCE

The Agency assumes the liability for most risk including but not limited to, property damage and personal injury liability. In 1987, the Riverhead Town Board elected to self insure for all liability claims. As such, the Agency joined with the Town of Riverhead and all claims are processed through the Town of Riverhead Self-Insurance Fund. In October 1993, the Town of Riverhead obtained catastrophic loss insurance coverage.

I. VACATION, PERSONAL LEAVE AND SICK LEAVE

There are currently no paid employees of the Agency.

J. POST RETIREMENT BENEFITS

Data in these columns do not present financial position, result of operations or changes in financial position in conformity with Generally Accepted Accounting Principle, nor is such data comparable to a consolidation. Inter-fund eliminations have not been made in the aggregation of this data.

II. METHODS OF DISPOSING OF REAL PROPERTY

The CDA shall dispose of real property in accordance with Title 5-A and other applicable laws in a manner so as to permit such full and free competition as is appropriate under the circumstances and shall award contracts to parties offering the most advantageous terms, financial and/or otherwise. All dispositions of real property shall further comply with Article 15 (Urban Renewal) and Article 15A (Municipal Urban Renewal Agencies, Organization and Powers) of the New York State General Municipal Law (GML), as amended and to be amended, and such other requirements as may from this time be imposed by the Town of Riverhead. The CDA's contracting officer for real property dispositions (the "**Contracting Officer**"), appointed by the CDA's Board of Directors, shall supervise and direct all dispositions of CDA real property. The real property must be disposed of at fair market value for cash, credit, or other property, with or without warranty, upon such terms and conditions as the Contracting Officer or his/her designee deems proper, except as otherwise permitted herein. No disposition of real property shall be made unless an appraisal has been made by an independent appraiser and included in the CDA file.

Under the Contracting Officer's or his/her designee's direction, the CDA primarily uses two methods of disposition: A) Request for Proposals; and B) negotiated disposition.

A. Request for Proposals ("RFP")

1. *Real Property Sales and Leases*

The RFP process is a process whereby the development community and other entities and individuals are invited to submit proposals for one or more properties. In an effort to create full and free competition consistent with the value and nature of the property, RFP

notices shall be printed a minimum of once in a newspaper published in the Town of Riverhead, if any, or in any such newspaper published in the County of Suffolk, having a circulation in the Town of Riverhead, and posted on the CDA's web-site. In addition, RFPs may be advertised in appropriate local newspapers and/or appropriate trade publications, depending on the nature of the property, and, on occasion, distributed to a direct mailing list. All advertisements shall list when and where proposals shall be disclosed, except that if the disposition falls within one of the criteria for a negotiated disposition described below, at the discretion of the Contracting Officer or his/her designee, the advertisement may omit such disclosure information and/or the disclosure may or may not be made.

RFPs may, but are not required to, include an introduction and sections on site description, development strategy, objectives, disposition process, proposal requirements, selection conditions, public review process, general conditions and, where appropriate, economic development benefits.

Although the selection criteria for each RFP varies, as appropriate, the CDA may include selection criteria such as the following in reviewing submissions and selecting a proposal:

- Economic Impact on/ Spending in the Town of Riverhead - projected expenditures, including purchase price, construction costs and annual operating costs; temporary (construction) and permanent on-site employment and payroll; and applicable Town of Riverhead revenues such as real property taxes or other income.
- Development Team Qualifications - experience and development skills to complete the project on time and within budget.
- Financial Viability - developer's financial means to complete the project, availability of funding sources to finance the project, and sufficient revenues to support operating expenses, capital costs and any debt service.
- Integration into Surrounding Community - such as pedestrian access, vehicular access and circulation, building mass, parking availability, landscaping and overall integration into surrounding community.
- Design - architectural design, urban design, environmental development techniques, and compliance with applicable zoning, environmental and other regulatory controls.

Depending on the nature of the real property, RFPs may or may not include all of the above and may include additional selection criteria.

The contract will be awarded to the candidate presenting the most advantageous terms, price and other factors considered. The CDA may reject any and/or all proposals when the minimum terms and conditions have not been met, competition is insufficient and/or it is in the public interest to do so. The award/designation will be made by notice within a reasonable time of the original advertisement, all circumstances considered.

B. Negotiated Disposition:
Real Property Sales and Leases

RFP by advertisement is not always the most appropriate and effective means of disposal of real property. In certain instances, including when the disposition is for less than fair market value but is intended to further the Town of Riverhead's economic development or the disposition is otherwise authorized by law, Title 5-A permits a negotiated disposition subject to obtaining such competition as is feasible under the circumstances. In some circumstances, the disposition will involve a sole source disposition. Title 5-A, Section 2897 (6)(c)(ii)-(vi) sets forth that real property may be disposed of through a negotiated disposition when:

- (ii) the fair market value of the property does not exceed fifteen thousand dollars (\$15,000);
- (iii) bid prices, after advertising, are not reasonable, either as to all or some part of the property, or have not been independently arrived at in open competition;
- (iv) the disposal will be to the state or any political subdivision, and the estimated fair market value of the property and other satisfactory terms of disposal are obtained by negotiation;
- (v) the disposal is for an amount less than the estimated fair market value of the property, the terms of such disposal are obtained by public auction or negotiation, the disposal of the property is intended to further the public health, safety or welfare or an economic development interest of the state or a political subdivision . . . , the purpose and the terms of such disposal are documented in writing and approved by resolution of the board of the public authority; or
- (vi) such action is otherwise authorized by law.

Item (vi) includes, without limitation, sales and leases of real property where the property has been acquired for purposes of disposal under Article 15 (Urban Renewal) and Article 15A (Municipal Urban Renewal Agencies, Organization and Powers) of the New York State General Municipal Law (GML).

If an RFP involves a disposition that meets one of the criteria described above, the Contracting Officer or his/her designee may direct that the disposition of the real property be considered a negotiated disposition. In such circumstance, a public disclosure of the proposals would not be necessary unless otherwise required, however, an explanatory statement and ninety (90) days notice (or such other period as the statute may be amended to require) would be required as detailed below.

Upon meeting Title 5-A's requirements, the decision to proceed with a negotiated disposition rather than an RFP is based on an analysis of the facts and nature of the

project. In such instance, a negotiated disposition may be undertaken without limitation under the following circumstances where appropriate:

- Risk of business relocation or expansion outside the Town of Riverhead exists;
- To permit expansion of business in the Town of Riverhead;
- Impact of the number of jobs to be created or retained for the Town of Riverhead;
- Development of sites which lack private sector interest (as demonstrated by a failed RFP or other competitive means within the past two years);
- Proximity of real property to a business' existing location; or
- Other important public purpose.

Regardless of the reason the negotiated disposition is deemed permissible, such competition as is "feasible" under the circumstances is still required. In some instances where advertisement is not used, the CDA might notify neighboring businesses of an available parcel to give them the opportunity to submit a proposal, thereby effecting competition. However, in other instances, even such notification might not be feasible. Realistically, in certain situations a sole source disposition or little competition will be the only feasible alternative. For example, if a lease is for a sum below fair market value and failure to renew could threaten relocation outside the Town of Riverhead, loss of jobs within the Town of Riverhead, or business failure, a sole source negotiated disposition will be permissible under Title 5-A Section 2897(6)(c)(v). So too, if a space is leased at fair market value to a tenant that provides many jobs and services to the Town of Riverhead as well as promises of future economic development to the community, a sole source negotiated disposition might also be appropriate to preserve the jobs in the Town of Riverhead. Similarly, if a tenant requires an adjacent available space to expand his/her business and such expansion would create new jobs and prevent the business from leaving the Town of Riverhead, a sole source negotiated disposition at fair market value might also be appropriate. In such instances, a negotiated disposition would be permissible pursuant to Title 5-A Section 2897(6)(c)(vi) in conjunction with Article 15 and Article 15A of the New York State GML or other statutory provisions.

If a negotiated disposition is undertaken, not less than ninety (90) days (or such other period as the statute may later require) prior to the disposal of the property, an explanatory statement must be submitted to the state comptroller, state director of the budget, state commissioner of general services and state legislature, a copy of the same to be maintained in the CDA's files.

III. ACQUISITIONS

Real property may be purchased by the CDA for purposes of use, resale, leasing or otherwise permitting the use of the property or space therein, and may be leased by the CDA for purposes of use, subleasing or assignment of lease or otherwise permitting the use of the leased property or space. The purpose of such acquisition shall be to further a purpose of the CDA under Article 15 and Article 15A of the New York State GML. The Contracting Officer or his/her designee shall approve the terms of the acquisition and obtain the approval of the CDA's Board of Directors for the same. Further, at the

discretion of the Chairman of the CDA or his/her designees, where the CDA has a right of reacquisition of previously disposed of property, it may exercise this right.

IV. APPROVALS

All purchases, sales and leases of real property by the CDA must be approved by its Board of Directors. Approvals may be obtained for specific purchases, sales or leases or the Board of Directors may grant approval for purchases, sales or leases so long as specified guidelines are met. Generally, purchases, sales and leases are first reviewed by the CDA's Board.

When Town of Riverhead property is being leased or purchased by the CDA, all Town of Riverhead required approvals must also be obtained, e.g. relevant permits.

V. MONITORING AND REPORTING CONTRACTS FOR DISPOSAL

Prior to the disposal of the real property, the project manager involved in the disposition shall be the primary person responsible for monitoring compliance with the terms of the contract or other agreement or memorandum for the disposal and shall keep the Contracting Officer or his/her designee informed of all major issues that arise and of the status of the disposition.

The Contracting Officer shall cause a record to be maintained of all real property disposed of and shall cause to be prepared and transmitted all reports relating to the disposition of real property required by Title 5-A.

Whenever the Town of Riverhead Community Development Agency (the "**CDA**") wishes to transfer title to or a beneficial interest in an item of personal property or an interest therein with an estimated value of Five Thousand Dollars (\$5,000) or less, it shall obtain offers from one or more persons or entities as the CDA's contracting officer for personal property dispositions (the "**Contracting Officer**"), appointed by the CDA's Board of Directors, or his or her designee deems appropriate. The CDA shall maintain a record of the persons or entities approached and their responses. The CDA may conduct discussions with some or all of the persons and entities. The property may be disposed of to whichever person or entity the Contracting Officer or his or her designee selects based on the proposed price and any other factors that the Contracting Officer or his or her designee deems appropriate.

However, an appraisal of the property will not be required if an appraisal of the property or similar property has been made within the past two years.

The person or entity to which the property shall be disposed of shall be determined through a procurement conducted in accordance with Title 5-A of the Public Authorities

Law, added to such law by the Public Accountability Act of 2005, and any amendments thereto. The CDA shall publicly advertise for proposals for the disposal of the property in accordance with Title 5-A, provided that it may dispose of the property without public advertising, obtaining such competition as is feasible under the circumstances, when permitted to do so under Title 5-A. All dispositions shall comply with all relevant requirements of Title 5-A, Article 15 (Urban Renewal) and Article 15A (Municipal Urban Renewal Agencies, Organization and Powers) of the New York State General Municipal Law (GML), as amended and to be amended, and such other requirements as may from this time be imposed by the Town of Riverhead or other applicable laws, if any.

Prior to the disposal of the property, the project manager involved in the disposition shall be the primary person responsible for the monitoring of compliance with the terms of the contract for the disposal, and shall keep the Contracting Officer or his or her designee informed of all major issues that arise and of the status of the disposition.

The disposal must be approved by the Board of Directors or Executive Committee of the Board if the disposal is on a sole source basis for an amount in excess of Twenty Thousand Dollars (\$20,000) or is for an amount in excess of One Hundred Thousand (\$100,000) and has been competitively procured. For disposals for less than those amounts, no approval is required of the Board of Directors or a committee thereof. In all cases, the disposal must be approved by the Contracting Officer or his or her designee and disposal documents must be approved and executed by an officer who is an authorized signatory of all agreements of the CDA.

The Contracting Officer shall cause a record to be maintained of all personal property disposed of for an amount in excess of Five Thousand Dollars (\$5,000) and shall cause to be prepared and transmitted all reports relating to the disposition of personal property required by Title 5-A.

**TOWN OF RIVERHEAD COMMUNITY DEVELOPMENT AGENCY:
CODE OF ETHICS FOR DIRECTORS AND OFFICERS**

As Per Town Board Resolution # _____
Adopted _____, 2007

I. INTRODUCTION AND PURPOSE

The Board of Directors ("**Board**") of Town of Riverhead Community Development Agency (the "**CDA**") has adopted this code of ethics and practices ("**Code**") with respect to its directors and officers (individually, a "**Director**", or collectively, the "**Directors**"). The CDA believes a commonly held set of principles can assist in the individual exercise of professional judgment. This Code speaks to the core values of public accountability and transparency. The purpose of having a code of ethics and practices is to protect the credibility of the CDA by ensuring high standards of honesty, integrity, and conduct of staff.

To that end, this Code is intended to promote (a) honest and ethical conduct, including the proper handling of actual or apparent conflicts of interest between personal and professional relationships, and (b) full, fair and understandable disclosure in the periodic reports required to be filed under this Code. This Code (a) provides examples of situations involving conflicts of interest; (b) establishes disclosure procedures; and (c) outlines corrective action for violations. It is vitally important to the public trust that both the fact and the appearance of conflicting interests and improper corporate conduct be avoided. Each Director will be expected to read and understand this Code and to review it periodically in order to be alert to situations that could create a conflict of interest or otherwise be contrary to the established policies of the CDA.

II. GUIDELINES

A. Prohibition. A Director may not make personal investments in enterprises that he or she has reason to believe may be directly involved in decisions to be made by him or her, in his or her capacity as a Director of the CDA, or that will otherwise create substantial conflict between his or her duty in the public interest and his or her private interest. Additionally, a Director is prohibited from accepting employment that impairs his or her independence of judgment in the exercise of his or her official duties.

B. Personal Interest. A Director shall be deemed to be "interested" in cases in which the Director's personal interest conflicts with the interest of the CDA. The following are situations in which a Director would be deemed to be "interested", which list is not intended to be exhaustive:

- Where a Director or a member of his or her immediate family¹ is a member, director,

¹ Immediate family means a spouse, domestic partner, unemancipated child, and if they live with the Director, parent or sibling.

owner² or officer of an entity from which the CDA purchases services or supplies.

- Where a Director or a member of his or her immediate family is a member, director, owner or officer of an organization with which the CDA contracts.
- Where a Director or a member of his or her immediate family is a member, director, owner or officer of an entity with which the CDA negotiates or effects a transaction or an entity that substantially benefits from a transaction that the CDA negotiates or effects.

A Director shall not be deemed to be "interested" by virtue of his or her status as an official or employee of the Town of Riverhead.

When a Director is "interested" in a matter: (a) the Director must disclose the nature and extent of his or her interest to the Board or committee of the Board, whichever will be considering the matter; and (b) the Director, acting as a Director, must take no part in the consideration, determination or approval of the matter on the part of the CDA.³

C. Confidential and Inside Information. Confidential information acquired by a Director in the course of his or her duties as a Director must be held in confidence and may not be used as a basis for personal gain by the Director, his or her immediate family or others. Information relating to transactions pending with the CDA is not to be given to any person unless it has been published or otherwise made generally available to the public by the CDA.

A Director must refrain from transmitting any information about the CDA or its deliberations or decisions or any other information the Director obtained from the CDA that might be prejudicial to the interests of the CDA to any person other than in connection with the discharge of the Director's responsibilities, except to the extent the information is publicly available.

A Director must not accept employment or engage in any business or professional activity that will require him or her to disclose confidential information that he or she has gained by reason of his or her official position of authority.

D. Gratuities/Conduct. A Director must not be placed under actual or apparent obligation to anyone by accepting, or permitting his or her immediate family to accept, gifts or other favors where it might appear that they were given for the purpose of improperly influencing the Director in the performance of his or her corporate duties. In addition, a Director should never use his or her official position to secure unwarranted privileges or exemptions; nor should a Director, by his or her conduct, give any reasonable basis for the impression that any person can improperly influence him or her or unduly enjoy his or her favor in the performance of his or her official duties or that he or she is affected by the kinship, rank, position or influence of any party

² Owner means a person having an interest in an entity that exceeds 5% of the entity or an investment of \$35,000 in cash or other form of commitment, whichever is less, or 5% or \$35,000 of the entity's indebtedness, whichever is less, and any lesser interest in a entity when the person exercises managerial control or responsibility regarding any such entity, but shall not include interests held in any pension plan, deferred compensation plan or mutual fund, the investments of which are not controlled by the person, or in any blind trust that holds or acquires an ownership interest.

³ All persons acting as Members of the CDA may take part in the consideration, and determination or approval, of any matter.

or person. Instead, a Director should endeavor to pursue a course of conduct that will not raise suspicion that he or she is likely to be engaged in acts that are in violation of his or her trust.

III. DISCLOSURE PROCEDURE

A. If at any time a Director is in doubt as to the proper application of this Code, the Director should immediately make all the facts known to the Ethics Board of the Town of Riverhead and be guided by the instructions he or she receives. Except as otherwise directed by those instructions, the Director should refrain from exercising responsibility with regard to the CDA in any matter that might reasonably be thought to be affected by his or her interest.

C. Each Director shall make the annual filings required of Directors under N.Y. Pub. Auth. Law § 2825(3).
